

SERARE SCHOOL
FOUNDED IN 1988
KINDERGARTEN

Vision

'To bring out the best from each child'

About Us

Founded in 1988, **Serare School** is a co-educational institution that prides itself in bringing out the best in every child, holistically i.e. physically, spiritually, emotionally and intellectually.

Every child is helped to discover and develop their talents, enhance life skills, realize self actualisation and achieve academic excellence.

Our ethos ensure that children who pass through Serare School are well balanced. They find their strengths and work on their areas of opportunity. The curriculum taught is as subscribed by the Kenyan Government.

APPLICATION AND ADMISSION PROCESS

Admission in Serare Kindergarten is on-going with identified assessment days throughout the academic year. We admit children who have reached 3 years. Prospective parents should obtain an Application Form from the Main Office. It should be returned with a copy of the child's birth certificate, immunization card, work done in previous school (if attended), and the current application fee of which shall be advised.

Once the assessment is completed, additional information about uniform, stationary and transport will be provided.

Each class has an average of 20 pupils, with experienced teachers to guide them. The social, emotional, intellectual, physical, perceptual development and life skills of your children can only be done with the help of parents. It is very important that parents are engaged in the development of their child. We therefore have activities and symposiums each term to grow and nurture this partnership.

Our latest fee structure can be found on our website www.serare.ac.ke. The Kindergarten fee is inclusive of tuition fee, co-curricular activities that your child will take part in, and lunch (including morning tea). Extra-curricular activities will attract a nominal fee.
